Dear Mr. & Mrs. Dannels,

Thank you for providing the Rivercrest Campground Findings of Fact and invoices on July 7, 2008. The Ravalli County Attorney's Office has reviewed the records and determined that the documents do not establish a County obligation to maintain the levee on your property. If you have any additional information for the County to consider regarding this issue, please provide those documents to the Planning Department at your earliest convenience.

To date, we have yet to receive your Floodplain Permit Application for the work completed or proposed on your bank stabilization project. Please complete the enclosed application so that we may proceed with the floodplain permit review process.

If you have any questions, please feel free to contact our office at (406) 375-6530.

Sincerely,

Laura Hendrix, CFM
Ravalli County Floodplain Administrator
